1st ICCMO INDIA CONGRESS

India's Step Forward in the Neuromuscular Dentistry Revolution

“Measuring Occlusion and Muscle Physiology”

DATE : 25TH & 26TH AUGUST 2018 | VENUE : THE CAPITOL, BANGALORE

Dr. Curtis Westersund earned his DDS from University of Alberta in Edmonton, Alberta in 1979. He has practiced as a general dentist in the city of Calgary in the province Alberta Canada for 36 years.

Dr. Westersund's practice is limited to the treatment of Temporomandibular Disorders (TMD) with a Physiologic approach. He has completed training at the Las Vegas Institute of Advanced Dental Studies, a residency in TMD Therapy at the Center of Occlusal Studies and holds a Mastership with the International College of Cranio-Mandibular Orthopedics (ICCMO). Dr. Westersund has published clinical studies, been published in 2 books about use of neuromuscular protocols in the treatment TMD and has helped teach dentists throughout the United States, Russia, Europe, Asia and Canada about the treatment and communication of TMD using physiologic and neuromuscular principles. He is currently the Education & Marketing Director of ICCMO (International College of Cranio Mandibular Orthopedics).
